Please indicate in ink below how you would like the columbarium faceplate engraved. Lettering space for names on the columbarium faceplate is two lines each consisting of a maximum of 18 characters (letter, number, punctuation mark, or space). One square per character. The first line is intended for the last name. The second line is intended for the first name/initial and middle name/initial. The third line is for the year of birth and the year of death. Inscriptions will be done in the same font in all capital letters for uniformity and readability. Engraving will only be done June through October due to temperature concerns.
