

Our Memorial Prayer Garden is an expression of Christian faith and love. It is a return to the tradition of our ancestors who believed in interment of its members and their families close by the church where they had faithfully served and worshipped.

This feature on the grounds of Faith Lutheran Church helps to completely serve the congregation and others and contributes toward a more caring community.

# FAITH'S MISSION STATEMENT

Led by the Spirit to share  
God's grace

This Christian family known as Faith Lutheran Church is truly a family. While we are diverse in age groups and family structures, worship style and mission emphases, interests and priorities, we are united in the love and promise of Jesus Christ

The nature of our ministry is relational. In order to be an effective church we will always invite and welcome all, we will accept the challenge of discipleship, we will recognize and profess the need for dynamic worship and constant prayer, and most importantly, we will serve as God leads.

## MEMORIAL PRAYER GARDEN

# *A place of serenity and comfort, a place where people can enjoy the beauty of God's creation and celebrate the miracle of life in all its glory, including death and resurrection*

Faith's Memorial Prayer Garden is a hallowed site, sacred to the memory of those who have joined the Church triumphant. Located in a garden adjacent to the sanctuary, the design of the columbaria is in keeping with Faith's architecture and maintained in a setting of peace and serenity.

The garden path consisting of engraved pavers and granite benches for seating, is meant to bring God's solace to those who seek comfort; a peaceful place to linger with the Lord as you pray, listen for God's voice, meditate on the Word; and stroll or sit in contemplative reflection.

Within the Memorial Garden, the engraved Memory Wall honors members of the Faith community. The brick and granite columbaria have niches designed for one or two person's cremains. Each brass urn has an engraved plate added at the time of inurnment. The granite faceplate will be engraved.

The cost of engraving is included at the time of purchase. There are no annual maintenance fees. Garden trees, shrubs, benches and engraved pavers have been funded through donations, fundraising, and perpetual care fees included in the cost of Memory Wall engraving and niche purchases.

The ongoing prayerful support, volunteer gardeners, and contributions continue to be the mainstay for the garden area at Faith.

If you are interested in purchasing a niche and/or contributing toward the garden, please contact the church office.
