

Our Memorial Prayer Garden is an expression of Christian faith and love. It is a return to the tradition of our ancestors who believed in interment of its members and their families close by the church where they had faithfully served and worshipped.

We believe this feature on the grounds of Faith Lutheran Church helps to completely serve the congregation and others and contributes toward "a more caring community" as highlighted in our mission statement.

Faith's Mission Statement:

This Christian family known as Faith Lutheran Church is truly a family. While we are very diverse in age groups and family structures, worship style and mission emphases, interests and priorities, we are united in the love and promise of Jesus Christ.

The nature of our ministry is relational. In order to be an effective church we will always invite and welcome all, we will accept the challenge of discipleship, we will recognize and profess the need for dynamic worship and constant prayer, and most importantly, we will serve as God leads.

Memorial Prayer Garden

Peace I leave with you;
My peace I give to you.

John 14:23

*Faith Evangelical
Lutheran Church*

A place of serenity and comfort, a place where people can enjoy the beauty of God's creation and celebrate the miracle of life in all its glory, including death and resurrection.

Faith's Memorial Prayer Garden is a hallowed site, sacred to the memory of those who have joined the Church triumphant. Located in a garden adjacent to the sanctuary, the columbarium's design is in keeping with Faith's architecture and maintained in the setting of peace and serenity.

The garden path consisting of engraved pavers and granite benches for seating, is meant to bring God's solace to those who seek comfort; a peaceful place to linger with the Lord as you talk with Him, listen for His voice, and meditate on His Word; and a place to stroll or sit in contemplative reflection.

Within the Memorial Garden, the engraved Memory Wall honors members of the Faith community. The brick and granite columbarium has niches which are designed for one or two person's cremains. Each brass urn has an engraved plate added at the time of inurnment. The granite faceplate will be engraved. The cost of engraving is included at the time of purchase. There are no annual maintenance fees. The garden trees, shrubs, benches and engraved pavers have been funded through donations, fundraising and perpetual care fees included in the cost of Memory Wall engraving and niche purchases.

The ongoing prayerful support, volunteer gardeners, and contributions continue to be the mainstay for the garden area at Faith.

If you are interested in purchasing a niche and/or contributing toward the garden, please contact the church office to receive information.
